

**REMARKS**

Please calculate claim fees after entry of the present amendment. Applicants have amended the specification to correct minor typographical errors, to include a cross-reference to related applications, and to provide an abstract of the application. Applicants have further amended the specification at pages 1 and 3 to remove reference to specific claims.

Applicants have amended claims 1-20 to place these claims in proper form for examination. Applicants have also added claims 21-26 and respectfully submit that these claims are supported by the specification and appended figures. Applicants respectfully submit these amendments do not incorporate new matter into the application. Applicants, therefore, respectfully request entry of these amendments.

It is not believed that extensions of time or fees for net addition of claims are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 CFR §1.136(a), and any fee required therefore (including fees for net addition of claims) is hereby authorized to be charged to Deposit Account No. 16-0605.

Respectfully submitted,
